Add Question

[Question List](#)

* Mandatory fields.

* Category :

* Question Type :

Question :

B *I*

* Use (insert/edit image) button to add images in questions.
* Please do not copy and paste content directly from *.doc or *.html files since it may distort the page look and feel because of inline style used in the content. Best is to use editor above for all type of formatting.

*Answer Option : A

*Answer Option : B

6. After adding the questions the user has to add the test by clicking on “Add test”. User can manage test, invite students to take the test, can edit the test, and delete any test. The user has to freeze the test then after he/she can invite students to take the test.

The screenshot displays the 'Manage Test' interface. On the left is a sidebar with navigation options: My Dashboard, Manage Question Categories, Manage Question Bank, **Manage Test**, Manage Student, Student Report, My Account, and Logout. Below the sidebar is an 'Account Usage' section showing credits purchased (100), used (34), and available (66), with a 'Buy Credits' button and the note '1 credit = 1 student per exam'. The main content area is titled 'Manage Test' and features an 'Add Test' button in the top right corner. Below the title is a table of tests with columns for S. No, Test, Total Questions, Duration (Hrs), Duration (Mins), and Test Type. The table contains 10 rows of test data. Annotations include a box pointing to the 'Add Test' button with the text 'The User has to click here to add test' and another box pointing to the 'Manage Test' sidebar item with the text 'Click on manage test'. A third box points to the 'Invite' button for the 'Monetizing' test with the text 'User can select this and then invite students to take "Monetizing" test'. At the bottom of the table are 'Delete', 'Freeze', and 'Unfreeze' buttons, and a pagination control showing '1 to 10 out of 11'.

S. No	Test	Total Questions	Duration (Hrs)	Duration (Mins)	Test Type	Invite	Freeze	Unfreeze
1.	Varun Test	30	00	30	From Question Bank(Randomly)	Invite	X	☐
2.	Monetizing Complete	20		25	From Question Bank(Randomly)	Invite	X	☐
3.	monetizing1	5		25	Manually	Invite	X	☐
4.	Monetizing	1						☐
5.	Marketing test	20					X	☐
6.			0				X	☐
7.	English Test 1	20		20	Manually	Invite	X	☐
8.	Glossary Test (A-G)	15	00	15	Manually	Invite	X	☐
9.	Training Test-1 SEO	15		15	Manually	Invite	X	☐
10.	Rajeev test	3	00	15	From Question Bank(Randomly)	Invite	X	☐

7. After clicking on "Add test" the following screen will be displayed wherein the user can add questions to the test from various question banks.

The screenshot shows a web application interface for adding a test. On the left is a dark sidebar with a logo and navigation menu. The main content area is titled "Add Test" and includes a notification "You have gone full screen. Exit full screen (F11)". The form contains a text input for the test name, radio buttons for "Time Based" (Yes/No), and a rich text editor for the "Test Description". A yellow callout box provides instructions on using the image editor and avoiding direct pasting from .doc or .html files. Below this is a dropdown menu for "Add Questions" set to "From Question Bank (Random)". A list of categories is shown, with "General Knowledge" selected. For this category, the "Total question exists" is 11, and the "Total Questions to be asked" is set to 4. A "Section Description" text area is also present.

Time Based Yes No

Test Description :

*** Use (insert/edit image) button to add images in questions.**
*** Please do not copy and paste content directly from *.doc or *.html files since it may distort the page look and feel because of inline style used in the content. Best is to use editor above for all type of formatting.**

Add Questions :

*Those categories not display in below list that not have Category Total Questions.
*Test Total Questions should be less then Category Total Questions.

Category	
General Knowledge	Section Description
Total question exists : 11	<input type="text"/>
Total Questions to be asked : <input type="text" value="4"/>	
Politics	Section Description
Total question exists : 4	<input type="text"/>

8. The user can manage students by clicking on “Manage student”, can also add students, invite students for the test, and can see the list of invited students for a particular test.

The screenshot shows a web application interface for managing students. On the left is a sidebar with navigation options: My Dashboard, Manage Question Categories, Manage Question Bank, Manage Test, **Manage Student** (highlighted), Student Report, My Account, and Logout. Below the sidebar is an 'Account Usage' section showing 100 credits purchased, 34 used, and 66 available, with a 'Buy Credits' button and the note '1 credit = 1 student per exam'. The main content area is titled 'Student List' and features three tabs: 'Invite Students', 'Invited Students', and 'Add New Student'. Below the tabs is a table with columns for S. No, Student Name, Login, Email Id, Date, and Edit. The table lists 10 students. Callouts provide instructions: 'Click Manage Student' points to the sidebar menu; 'User can invite student and can see the list of invited students by clicking on the tabs respectively' points to the 'Invite Students' and 'Invited Students' tabs; 'User can add students by clicking on this tab' points to the 'Add New Student' tab. At the bottom of the table is a 'Delete' button and pagination controls showing '1 to 10 out of 14'.
